Hi \_\_\_\_\_, I'm Vicky Clarke from the Telework Project. Thanks for taking time for this interview. I'll try to keep it as short as possible.

1. **As I explained in my email, this interview is about your work commute. To start, I'd like you to describe your typical commute TO work ... from the time you leave your front door until you arrive at work. Include any regular errands or stops along the way and all the methods of transportation you use; drive, take a vanpool or carpool, a bus, ferry, bicycle, walking, and so forth.**

Leg	Description

2. **(DON'T READ ) Check the types of transportation they mention. (CLARIFY IF NECESSARY)**
