part of the time.

We are looking for Employees and Employers to test telework on a temporary basis. If you've thought about working from home, this is a good opportunity to introduce telework to your boss.

If you work on the other side of the Hood Canal Bridge, this is a good way to get prepared for the bridge closure next spring.

To learn more: Google "Telework Pilot Project"
or go to: www.KitsapRegionalCouncil.org/telework.html
or call: Vicky Clarke at (360) 377-4900.

Don't Delay. November is Sign-up Month!
